

JamPol Protective Services prides itself as one of South Florida's rising stars. Our mission is to provide our clientele with superior security and protective services that is above and beyond regularity requirements to meet our clientele needs.

We are able to customize our services to fit your needs. Let us put our experience to work for you!

Jampol Protective Services Inc. will provide you with certified, licensed, Insured and fully trained Security Officers, each Security Professional has been screened to the standard of the United States Government program.

Our pre-employment background investigation far exceeds that of the Military. In addition we have implemented a pre-employment psychological interview, continuous 5-panel drug screening and intensive training in criminal and Police defensive tactics prior to deploying guards for active duty with your company.

We view ourselves as partners with our clients, our community and our environment. Each of our personnel plays a key role in our relationships with our clientele, neighboring communities and also our development. Therefore we hold our personnel accountable for providing the highest level of service and professionalism, and adhering to the stringent requirement of regulatory standard. To maintain this level of expectation we recognize, encourage, and reward our personnel for their excellence in service.

The success of our organization can only be measured by the level of peace of mind that our client's experience while under our protection.

If you are interested in our services, or if you have any questions or comments about our business functions and practices, please feel free to contact us.
